

Aluminium Railing System

Safety Comes First

“We, at Metalo – Railing & Hardware, are dedicated to crafting high-quality aluminium and stainless steel railing solutions that blend strength with style. Established in **2013** in Rajkot, Gujarat, we offer a wide range of modern railing systems—balcony, staircase, glass railings, and invisible grilles—designed to meet individual customer needs and elevate any space. Our products are appreciated for their premium finish, long-lasting durability, and clean, elegant look.

Under the active leadership of Mrs. Sneha Sourav Chokhani (Founder & Director), Metalo has become a recognized name in the railing industry. We focus on creating thoughtful, sustainable, and practical railing solutions for homes, commercial buildings, and luxury projects across India. With over **1,000** happy clients and more than **150,000** feet of railing installed, we continue our journey to deliver modern designs, reliable service, and complete customer satisfaction.
